# Message from the Chairman

Assalamu Alaykum Warahmatullahi Wabarakatuhu

It brings me immense joy and gratitude to introduce Naasih Pre-University College for Girls, a new chapter in our journey of nurturing young minds and hearts. For over 17 years, Naasih Public School has been dedicated to providing a strong foundation rooted in knowledge, character, and Islamic values. Alhamdulillah, with the same spirit and vision, we now extend our efforts into the pre-university level.

In a world where young girls are increasingly exposed to harmful influences and compromising environments, our goal is to offer a safe, purpose-driven educational space where academic excellence is seamlessly integrated with Islamic values. Our girls will not only learn subjects of the world but also gain the moral strength, spiritual clarity, and confidence to walk the path of righteousness.

Naasih PU College is more than an institution; it is a trust, a mission, and a responsibility—to raise Muslim women who are academically equipped, spiritually conscious, and socially responsible.

We ask for your continued duās, support, and encouragement as we strive to shape a generation of empowered Muslim girls who can serve the Ummah with knowledge and integrity. We are grateful for the invaluable guidance of our well-wisher Mohammed Sanaullah Saheb IAS (Retd.) in this initiative. We also deeply appreciate the support of Mufti Mohammed Aslam Saheb Rashadi- secretary Naasih educational trust, and Hafiz Aasim Abdullah Saheb- trustee Naasih Educational Trust both of whose encouragement has been instrumental in making this vision a reality.

With sincerity and hope,  
Syed Shabeer Ahmed Husaini Nadvi  
President, Naasih Educational Trust

## A Beginning with Meaning

### Legacy of Excellence in Girls' Education

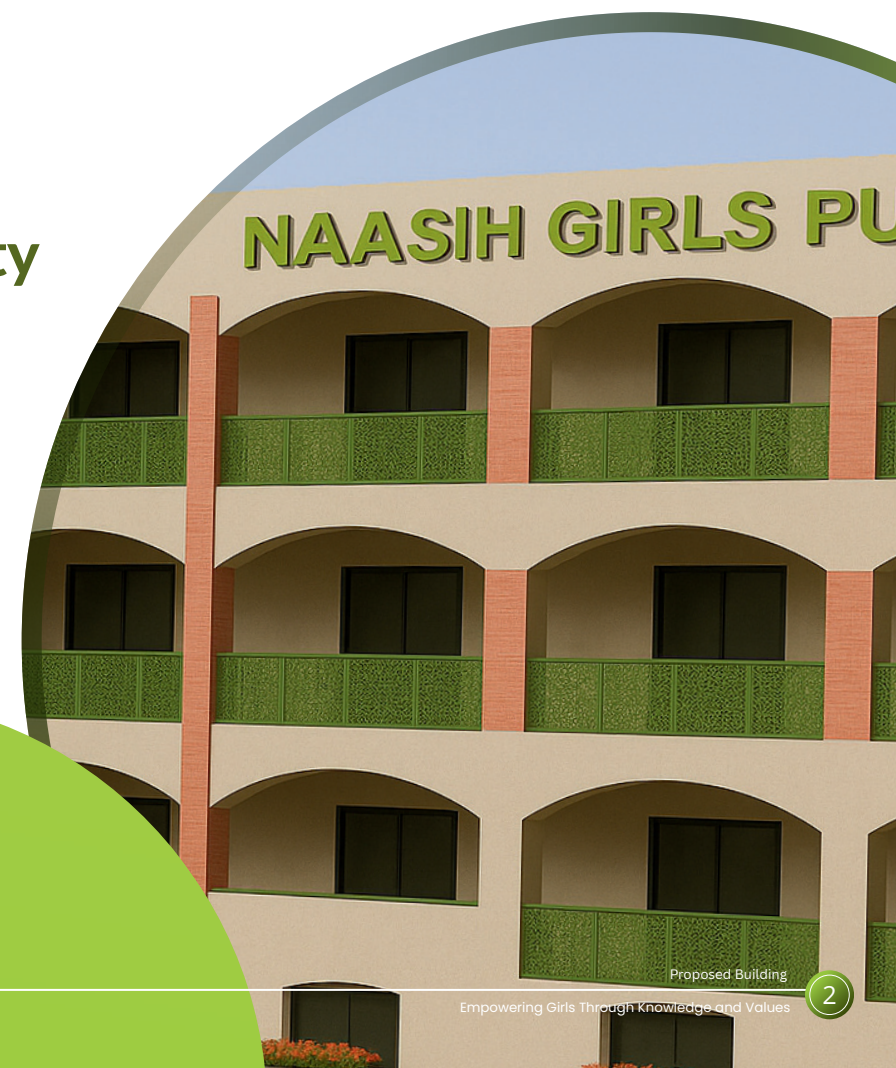

Having successfully run the renowned Madrasa Islahul Banaat for over 40 years, we take immense pride in nurturing the minds and hearts of thousands of young women across the country. This journey has taught us the critical importance of providing a safe, value-based, and academically enriching environment for girls.

Understanding the need for a balanced education that blends academic excellence with strong moral values, we are now expanding this mission with the establishment of Naasih PU College for Girls. This institution aims to empower young Muslim women with modern education, Islamic principles, and personal development to excel in their chosen fields while staying rooted in their faith.
